1. Web Address (URL)

www.firmenauto.de
The portal for Mobility & Management

2. Characteristics

At www.firmenauto.de the company car is the centre of attention. Cost-conscious management and constantly improving vehicle techniques make it a complex and challenging task to manage a fleet and choose the adequate company car.

www.firmenauto.de offers valuable advice for managing fleets and finding a suitable partner for external fleet management.

3. Target Groups

Fleet managers and professionals for passenger car fleets.

4. Access Evaluation

Websites with AdServer Google DFP (Double Click for Publishers) offer independent Admanagement- und Ad-serving-technology for publishing houses and media agencies.

Controlling and timing of campaign result from Ad Server Google DFP measurements, variations due to technical requirements.

Mobile Banner Advertisement for Smartphones and Tablets

Website identifies device (Desktop-PC, Tablet or Smartphone) with which user surfs the internet and automatically determines best version for utilisation. If you are using your smartphone, the mobile version will be shown. This brings out navigation, category and article to be used while going without accidentally pressing the wrong link. Therefore push buttons are bigger, omitting tedious zooming.
