Automobilindustrie

## Media Information 2024

### Digital and printed - the perfect companion for trade fair visitors

The innovative strength of the commercial vehicle industry is unbroken, as it is currently in an extremely exciting time of upheaval.

"IAA aktuell" accompanies the [IAA TRANSPORTATION](#) on a daily basis and presents the most important vehicles, products and services to be seen at the trade fair.

Each issue shows how intelligently and how intelligently and efficiently the industry masters the challenges of the the world of transportation. At the same time, there are also exciting of the future.

For the first time, "IAA aktuell" will be published during the trade fair in a hybrid mix of a daily e-mail newsletter in the morning as well as on every second day of the trade fair in the usual printed form on at least 16 pages (four of which are in English).

This means that trade visitors and exhibitors are well informed about the highlights well informed about the highlights that await them in Hannover – practically with times and information in the site plan.

The new concept of "IAA aktuell" in three printed and six digital newsletter editions provides exhibitors with an ideal opportunity, to present themselves to visitors in a targeted manner. In the newsletter you can as a daily presenter and/or draw attention to yourself with a Fullsizebanner to draw attention to yourself. Find out more on the following pages.
