firmenauto Media Information 2018

General Information

At **firmenauto** the company car is our focus. With exclusive practical reports and exact cost calculations as well as vehicle tests **firmenauto** offers basic facts for readers and decision-makers in fleets. In addition the reader will find extensive market surveys that do not only exhibit thorough vehicle selection in single segments but give an overview of residual values and maintenance costs.

Fleet managers provided with that kind of information will be able to work more efficiently with their fleets while decreasing their costs.

Specific topics for fleets are taxes, insurances, leasing, financing and law as well as tank and tire management. Another focus is on liability and accident prevention. For all these reasons **firmenauto** is the perfect choice for fleet managers.

Editor-in-Chief

1 Characteristics and target group:

Cost-conscious management and constantly improving vehicle techniques make it a complex and challenging task to manage a fleet and choose the right company car.

firmenauto can be of helpful support in the process of decision-making because it offers a wide range of vehicle tests and reports on different topics around the car. The yearly event „Firmenauto des Jahres“, many workshops and the training for „certified fleetmanager“, that **firmenauto** offers together with DEKRA Akademie, completes the publication. You will find us on the internet at **firmenauto.de**.
